Remarks

Welcome home to this well-maintained 3-bedroom, 1-bath bungalow home, offering a blend of character, functionality, and extensive updates. The main level features a comfortable layout with spacious living areas, an updated bathroom, and a kitchen enhanced by a quartz countertop installed in 2026. Natural light fills the home through the newer windows, creating a bright and inviting atmosphere throughout. The full basement provides ample storage space and potential for a variety of uses to fit your needs. Outside, the detached 2-car garage offers additional parking and storage options, while the yard provides space to enjoy outdoor activities, gardening, or relaxing beneath the apple tree in the front yard. Significant improvements completed over the past several years include new windows, siding, doors, electrical, plumbing, and a rebuilt garage in 2021, a bathroom remodel and new concrete in 2022, and a furnace in 2020. These updates contribute to the home's overall functionality and appeal. All appliances are included with the sale, excluding the deep freezer in the basement. Curtains and curtain rods in the child's bedroom are excluded. Conveniently located with easy access to everyday amenities, this bungalow presents an excellent opportunity to make it your next home.
